AgeSa Hayat Ve Emeklilik AES Dynamic Participation Variable Pension Investment Fund

Invested Assets

The entire portfolio is allocated to the asset classes permitted under the Regulation, within the specified bands, and aims to generate lease income, profit share, dividend income, and capital gains without seeking interest income. Accordingly, the fund—without targeting interest—invests fully in domestic and/or foreign public and private sector lease certificates (including FX-denominated), real estate certificates, Turkish Lira and foreign currency participation accounts, equities included in participation indices calculated by Borsa İstanbul A.Ş., and precious metals such as gold and related capital market instruments. At least 15% of the portfolio is continuously invested in equities included in participation indices, and at least 25% in domestic public and private sector lease certificates, with allocations adjusted dynamically according to market conditions.
